

St. Isidore Historical Plaza provides needed community services to the Southern California area. It is solely funded by public events. **We receive no State, municipal or federal funding.**

St. Isidore Historical Plaza promotes local California heritage and culture. We are providing a gathering place for community events and services such as AA, ESL, Heart of the City food Distribution, Kiwanis and we are providing classroom space for college level classes for seniors and many more.

All of these programs are funded by monthly fundraising events held at St. Isidore Historical Plaza by our dedicated volunteer staff.

Currently with the Covid-19 guidelines we are unable to raise any money. We ask that you make a generous donation to help us stay financially afloat.
